What is Global Leadership Summit?

The Global Leadership Summit is a two-day, world-class leadership event experienced by more than 170,000 leaders around the world, representing more than 14,000 churches. It's telecast LIVE from Willow's campus (near Chicago) every August. Throughout the fall, Summit events take place in an additional 300+ cities, 92 countries— and translated into 42 languages. This event is crafted to infuse vision, skill development and inspiration for the sake of local church transformation.

You may have been to a Summit Simulcast, so why take the time and spend the money to travel to Chicago? Let me give you 3 reasons: Leadership Training, Team Building, and Road Trip. There is something incredible that happens when you spend an extended amount of time with someone (hopefully your fellow leaders) on the road; you get beyond the weather chat and to truly knowing one another. Plus, attending the live event; seeing 8500 leaders gathered together, inspires, challenges, and reminds us that we are a part of the larger "capital C" church.

Leadership Training, Team Building tied into a Road Trip, have been 3 major game changers for us at ONECHURCH.CA. I believe they could be a Game Changer for your church/organization as well; so join us on a Road Trip; spend countless hours building your team and engaging in world class leadership training.
